

Certificates

A Certificate in Information Assurance can be obtained by completing the following (as well as any required prerequisites):

- CS 4389 Data and Applications Security
- CS 4393 Computer and Network Security
- CS 4398 Digital Forensics

This certificate is intended for those individuals who are working in the industry and who already have background similar to a BS-CS degree. CS and SE Majors that complete the required classes, as well as students that complete the Minor in Information Assurance will be awarded certificates in Information Assurance.
