Meet the ISS Programming Team

Do you want to learn more about how you can meet new people and get more involved on campus and in the community? Talk to us!

The International Program Coordinator and International Peer Advocates (IPA) can get you connected to other students, to the campus, and to other resources.

Let us know how we can assist you. You can reach us at (972) 883- 4059 or in MC 1.206 (adjacent to the Women's Center). Visit, call, or [email](#) anytime!
