

The University of Texas at Dallas

New Student Programs

Orientations

Freshman Orientations

For incoming [freshman students](#) beginning classes at UTD.

Family Orientations

[Family Orientation](#) are orientations that are created specifically for family members of incoming freshman students beginning classes at UTD.

If your student is a [transfer](#), [graduate](#), or international student, you are welcome to attend corresponding orientations, indicate this at the time of registration.

Transfer Student Orientations

[Transfer Students](#) to UTD perhaps transferring from another college or university. Family members are welcome - let us know they are joining you.

Graduate Student Orientations

[Graduate Student Orientation](#) are suited for all graduate students new to UTD. All dates are listed below.

International Students

International Students MUST attend [International Student Orientation](#) - these orientations are offered through [International Student Services](#) at UTD. International freshmen beginning classes in the fall are welcome to attend freshmen orientation but will be required to meet with the International Student Services office.

Math Placement Testing

[Math placement testing](#) is offered through the Learning Resources Center at UTD. All questions regarding math placement testing should be directed to that office. Their phone number is 972-883-6707.
