Acquire integrated collections of eBooks and other content under a variety of **ownership** and **subscription** models.

Distribute your own eContent choosing a business model that meets your needs.

Whether it's our eContent or yours, documents submitted into the ebrary® **platform** can be cross-referenced and are full-text searchable. And, they seamlessly integrate with other digital resources and information on the web through the **ebrary Reader™** and **InfoTools™** software.

ebrary Spotlight

Special offer for attendees of IFLA's WLIC 2007 in Durban, South Africa!

Through August 2007, ebrary is pleased to offer complimentary access to a select collection of 30 eBooks on South African culture, history and travel. To receive details, please register [here](#).

Results of our **Global eBook Survey** are now available! To request a copy, please click [here](#). We also invite you to participate on our survey [wiki](#).
