Will you please send your individual procedures to me, and I will compile and forward to Winona.

Thank you,

Judy

Subject: Institutional compliant procedures

Marcy, Kathy, Hector, Judy, Richard, Carol, Carla, Jan and Jesse,

UT System is currently updating our compliant procedures and as a part of that process, I have been asked to get from you the procedures you follow when you receive a complaint and how the compliant records are being maintained at the institutional level.

Thank you so much for your assistance.

Winona
