

Campus Complaints Form

[Sign In](#)

The Student Government Association provides the Online Campus Complaint Form as a service to allow students to better communicate with University departments. SG may or may not be handling your individual problem, suggestion, or complaint. Your comments will be sent directly to the appropriate campus staff upon submission.

If you request to be contacted upon resolution of your complaint and are not, or if you are not satisfied with the service of the University department that you are sent to, please send a complaint using the SG category specifically citing the failure of someone to satisfactorily deal with your problem, suggestion, or complaint.
