

Senior Project

ECS Students

Your Senior Design project will count as your CV Senior Project. Create a poster based on your Senior Design project and present to CV faculty and students. We encourage you to work with other CV members on your project. Contact Dr. Prakash (ravip@utdallas.edu) if you have questions. You will need to complete a poster and give a presentation on your thesis to CV faculty and students.

ATEC Students

Your Senior Capstone project will count as your CV Senior Project. Create a poster based on your Senior Design project and present to CV faculty and students. You will need to complete a poster and give a presentation on your thesis to CV faculty and students.
