### MEMORANDUM

DATE: July 3, 2000

TO: All Schools, Departments, Programs

FROM: Austin Cunningham 

SUBJECT: COOPERATIVE PROGRAMS FORM

Please find attached the form to be used by UTD students wishing to take courses under the "Cooperative Arrangements" among component institutions of the University of Texas system as defined on page 40 of the 2000-2002 graduate catalog.

Since the host and home institutions must approve enrollment in such courses, it is important that students obtain all the necessary signatures well in advance.

Your assistance in sharing this information with your students and providing them with the necessary form and instructions (attached) is much appreciated.
