However, if the financial aid funds are not awarded by the above deadline, alternative [payment arrangements](#) must be made to avoid possible cancellation of classes and/or [late fees](#).

Employees who have not paid by August 18, 2007 will be assessed all applicable late fees.

Consequences of Non-Payment:

1. Per [Section 54.007\(d\)](#) of the Texas Education Code: "A STUDENT WHO FAILS TO MAKE FULL PAYMENT OF TUITION AND FEES, INCLUDING ANY INCIDENTAL FEES, BY THE DUE DATE MAY BE PROHIBITED FROM REGISTERING FOR CLASSES UNTIL FULL PAYMENT IS MADE. A STUDENT WHO FAILS TO MAKE PAYMENT PRIOR TO THE END OF THE SEMESTER MAY BE DENIED CREDIT FOR THE WORK DONE THAT SEMESTER."
2. If the student does not wish to be enrolled in classes for which they have registered, then it is the student's responsibility to drop the classes as soon as possible to avoid incurring penalties as indicated in the above table.
3. Non-payment may also result in the University dropping the student from classes.

Refund Information

[Financial Aid Refunds](#) will be available in the Bursars Office starting August 13, 2007 after 2:00 PM.

Refunds for [dropping](#) or withdrawing from the University will be generated once classes begin.Â The amount depends on whether or not you remain enrolled in other courses. If you drop a class and later withdraw, your refund will reflect the combination of dropped classes and the remaining hours at the time of withdrawal. If you drop all of your courses (withdraw from school) online, your account balance will need to be adjusted.
