PURPOSE

Too establish internal guidelines for the Planning and Research function at the UTD PD.

POLICY

It is the department policy to create a participatory management environment in which all members of the department have an opportunity to be involved in planning and research [for programs within the department and services provided to the University.](#)

PROCEDURE

- I. Administration
 - A. The planning and research function is not a department administration function. It is intended to provide all employees input into planning and research within the department.
 - B. The supervisors will meet with the Chief and Assistant Chief on a monthly basis to discuss new issues.

- II. Responsibility
 - A. Supervisors will bring forth, in writing, any issue, proposal or idea presented by a member of the department.
 - B. The supervisor's role is advisory in function, they are not authorized to undertake or deny any request.
 - C. The Chief of Police will utilize the information provided by the supervisors to consider additional research and creation of policies and procedures.
