

McDermott Library Friends 972-883-4951

The McDermott Library Friends is a group of community members, UTD faculty, students, staff, alumni, and others who support the Eugene C. McDermott Library. Its goals are to enrich the intellectual and cultural environment for faculty, students, staff, and community by promoting excellence in library collections and services, attracting distinguished special collections, and sponsoring special events. The Friends group is an advocacy organization that elevates public awareness of and raises funds for the UTD Libraries. Basic membership is provided for contributions of \$25 per year (does not include a library card). Those contributing \$100 per year receive a VIP library card. www.utdallas.edu/library/about/friends.htm .
