

Fulltime Cohort MBA

Unique. Selective. Rigorous.

These three words capture the essence of the UT Dallas School of Management's nationally recognized Cohort MBA program. One of only six full-time MBA programs in Texas to be ranked by *U.S. News and World Report*, the Cohort MBA program is designed for students who want a deep immersion into a full-time MBA program to complete the degree quickly. The program equips students with timeless business skills and proficiencies while emphasizing the mastery of cutting-edge managerial technologies and concepts that groom graduates for success in today's global economy.

Key Features:

- Ranked among the top 54 full-time MBA programs in the nation and among the top 25 at public colleges and universities by *U.S. News and World Report*
- Top-notch faculty that ranks 36th in research productivity among business schools nationwide by publications in the top 22 business journals spanning all areas of business
- Full-time, daytime accelerated curriculum that requires only 16 months from start to finish
- Selective admission of highly qualified students who follow a lock-step progression through the program, taking all their core classes together and adding a wide array of electives after their first semester
- Mentors serve as guides, counselors and role models, helping students bolster their professional and interpersonal skills
- Small classes by design – averaging 40 students per cohort – to ensure students have personal and direct exposure to faculty and career services
