SPIN Plus

Let's Face it — *the search for grant funding is challenging,,, but here is your chance to get direction.*

If you want a higher rate of success using SPINPlus, the world leader in R&D information, from InfoED International,

Don't miss this training!

In this interactive course you will learn —

❖ **About resources available at UTD for finding research funding opportunities**

❖ **Tips on how to write successful grant applications**

❖ **How to use SPIN (Sponsored Programs Information Network), InfoEd's searchable database, for grant opportunities through a hands-on demonstration of this outstanding search tool**

❖ **To set up a personalized SPIN search & GENIUS profile**

This course is made available to you by the McDermott Library & the Office of Sponsored Projects.

**Presented by
Leslie Harper, Office of Sponsored Projects
Ellen Safley, UTD McDermott Library**
