

The UTD Writing Lab, A Resource For All UTD Students

A Service of the Learning Resource Center

What is the Writing Lab?

The UTD Writing Lab is a valuable resource for UTD Students who want to improve their writing.

The UTD Writing Lab offers individualized tutorial help at no charge. Students may drop in or phone to make a 45-minute appointment with a writing consultant. Together the student and consultant will define goals for the session. You may, for example, work on:

Finding a topic for a paper

Organizing ideas and clarifying thoughts

Drafting and revising papers

Clearing up problems with grammar, punctuation, and English usage

Our consultants are graduate and undergraduate students who have been trained to help students develop strategies to improve their own writing. The help we provide is intended to foster independence. We do not, therefore, guarantee better grades nor do we proofread or edit essays; rather, we encourage students to take an active part in their own writing process in order to become stronger, more confident writers.

Who Can Use the UTD Writing Lab?

All students enrolled in a UTD course can come to the Writing Lab.

How Do I Arrange A Session?

Drop by MC 2.402 or call (972) 883-6707 for an appointment.

How Much Does IT Cost?

All our services are FREE!

When are you open?

Our hours are Monday through Thursday from 9 a.m. to 8 p.m. and Friday from 9 a.m. to 5 p.m.

What Should I Bring To a Session?

Please bring your assignment and two copies of any work you have done on it, as well as sources or materials for the paper.

Can You Let My Instructor know that I am visiting the Writing Lab?

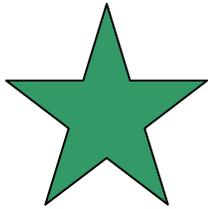

Yes, we encourage students to let us communicate with their instructors about the work they have done at the Writing Lab and the progress they are making. Many instructors are pleased to learn that their students have sought help on their own. At your request, we are glad to communicate with your instructor about your work at the Lab. Otherwise, your visits will remain confidential.

We appreciate suggestions on how we can further assist student writing at UTD. If you have any ideas to share, please drop us a note in the Writing Lab's suggestion box.

We look forward to seeing you at the Learning Resources Writing Lab.
