

THE UNIVERSITY OF TEXAS AT DALLAS

State Employee Charitable Campaign 2006

The State Employee Charitable Campaign is the only statutorily authorized workplace campaign for state agency and higher education employees throughout Texas. Last year, the SECC marked its 12th year by raising \$8.66 million for charitable organizations throughout the Lone Star state. The SECC is a great opportunity for state employees to help improve the quality of life for tens of thousands of individuals.

[Record Success!](#)

WOW!!! UTD, you closed the 2006 SECC with a bang. 202 participants gave over \$64,500 to local, state and national charities. This is 118% of goal and 146% of last year's total. Better yet is the increase from an 8.4% participation rate last year to 11% this year even though UTD grew by over 400 new faculty and staff members.

The School of Management led the way with 27 participants giving almost \$11,000. McDermott Library set a record, not only did they hold a Bake Sale that raised \$700 for Callier but 28% of these dedicated people participated in SECC.
