## New Student Programs

---

### Road Warriors

The Road Warriors program includes a variety of free events to help commuter students stay connected to campus, as well as network with other students. Any student is welcome to attend these events.

Road Warriors is a semester long social program that the [Orientation Team Mentors](#) (OTMs) coordinate and implement during the fall. This program helps create a friendly and encouraging atmosphere for commuter students for whom it may not be as easy to get involved on campus.

The OTMs create a variety of events on Thursday evenings so that commuter students may meet new friends among other commuter students as well as on-campus students. While the OTMs gear this program towards commuter students, all students are welcome to come and participate in these events. Past events have included: Whirly Ball/Laser Tag, potluck dinner & game night, pumpkin carving, dollar movie night, ice skating, and Medieval Times.
