* The amount of funds available in these programs is limited depending on federal and state funding and will change each fiscal year. **Awards are made on a first-come, first-served basis.** Applications need to have all required documentation on file before funds are awarded.

For International Students

Undergraduate students admitted to UTD are considered for the University's Academic Excellence Scholarship Program through the Office of the Undergraduate Dean. For additional information contact the [Undergraduate Dean's Office](#).

International students may be able to borrow long- term student loans through the alternative long-term educational loan programs. International students will need a co-signer who is a citizen of the United States. [Alternative Sources of Financial Aid](#) provides information on various private lenders offering long-term educational loans to international students.
