The Office of Environmental Health and Safety will comply with the Texas Workers' Compensation Act as it applies to The University of Texas, while providing quality customer service equally to all UT Dallas employees who have been injured on the job, their departmental representatives, and their medical providers.

If you are injured and need to file a claim, please download and follow some [basic guidelines](#) to ensure your claim will be processed in a timely fashion. To ensure full coverage all treatments should be received at an [approved medical facility](#).

Any further questions should be directed to [Sandra Mitchell](#) or contact us at x4111.
