## Equal Opportunity, Access, Discrimination and Privacy

This section of the UT Dallas web site provides you some information about the University's policies and procedures regarding affirmative action in employment, the Americans with Disabilities Act, Sexual Harassment, Discrimination, Gender Equity, and the Family Educational Rights and Privacy Act (FERPA).

The University provides direct access to a number of policy documents. To the left you'll find links to some of those sources. Below you'll find links to the pages written specifically for UTD students.

Students at UT Dallas are encouraged to become familiar with their rights and responsibilities.
