UTD THE UNIVERSITY OF TEXAS AT DALLAS

Comet Card

The Comet Card is the official identification card for all UTD students, faculty, and staff. The Comet Card allows t he use of campus facilities and services and offers optional Campus Accounts for on-campus purchases and payments.

The card can also be linked to a Wells Fargo account and used as a PIN-based debit card.

It is issued upon your initial association with UTD and must be retained throughout your affiliation with the Univer sity, even though you may not attend consecutive semesters.

The card is automatically activated, or deactivated, based on your current status with the University. In addition t o the ID function, the Comet Card provides some unique services for all UTD students, faculty, and staff.

Cards are issued at the Info Depot. For additional information contact us.
