PMI® Publications

Digital publications are the latest way PMI brings a faster and more enhanced information experience to its members. All members will now be able to view enhanced digital versions of *PM Network*®, PMI's award-winning professional magazine, and *PMI Today*®, the newsletter that keeps members up-to-date on activities, events and volunteer opportunities.

With digital publications, members will be able to easily search recent issues of these two publications. Members will continue to receive the print editions of these publications each month, and have the option to read *Project Management Journal*®, the quarterly refereed research publication, either online or in print.
