University of Texas
at Dallas athletes

is dedicated to developing the highest quality athletic program to compliment its outstanding dedication to academics. In order to accomplish these goals, UTD needs your help. Athletics receives no state funding, therefore, Athletics must rely on additional outside support to help fund the cost of an athletic program. Money received from donations to the Comet Club can be designated by sport or placed in the general athletic fund to be used in many different ways to improve our competitiveness and the overall athletic experience of our student-athletes.

THE UNIVERSITY OF TEXAS
AT DALLAS

By joining the Comet Club, you will have the opportunity to share in the success of our athletic teams. Your generous contribution will make you a part of the UTD commitment to developing an elite NCAA Division III athletic program. Your participation in the Comet Club will also allow you to become part of the UTD athletic experience. Benefits, such as email newsletter updates, official Comet apparel, media guides and other publications, and all-sports season tickets are all benefits offered to Comet Club donors. Comet Club members will also have the opportunity to meet and interact with members of our athletic teams and coaches.
