

# Academic Programs

The University of Texas at Dallas offers over 100 academic programs across its seven schools. On this page you will find the academic programs offered by the university in its 2006-2008 [Undergraduate Catalog](#) and [Graduate Catalog](#).

The semester of a student's official entry into a major determines which catalog requirements apply. Catalogs of [previous years](#) are available. Students are strongly encouraged to meet regularly with an [academic advisor](#) to establish and review their degree plan.
