

THE UNIVERSITY OF TEXAS AT DALLAS

Office of Strategic Planning and Analysis

OUR MISSION: To support the achievement of UTD's mission in research, learning, teaching and public service through effective planning, institutional research and evaluation.

Statistical Information

The [Statistical Information](#) is designed to provide university administrators, faculty and staff with accurate and consistent information about UTD's student, faculty, staff, and facility characteristics. Data includes current information on enrollment, degrees awarded, and other categories as well as data for past years to identify significant trends.

Request Data

The Office of Strategic Planning and Analysis provides institutional data about The University of Texas at Dallas in the [Statistical Information](#) section of this website. For all additional information not provided in the [Statistical Information](#) section, please follow the instruction under the [Request Data](#) section to submit a request to our department.

What's New...

Spring 2007 degrees awarded, semester credit hour and enrollment data is now online, check it out in the [Statistical Information](#) section of our site.

Institutional Research

The Office of Strategic Planning and Analysis regularly researches and analyzes the impact of state and university policies upon UTD. Within the [Institutional Research](#) section you will find links to university documents and research presentations members of our office have given at state, regional and national conferences.

Contact Us

Our department and staff member contact information is listed [here](#).

If you have any questions or comments about the OSPA website, please email spa@utdallas.edu.
