Comet Camp

August 10 - 12, 2007

This is not your average camping experience. Come join us for a weekend full of fun and games, ranging from a relay race, to a Game Cube Tournament, to trivia games. This is unlike anything from high school. This is your chance to meet new people and maybe even discover things about yourself you never knew. You may realize you have mad dance moves at the Galaxy Bash or a crazy talent at the Talent Show. Even if you go to Comet Camp without knowing a single person, you will leave feeling like you know everyone you see on campus.

The years you spend in college are a journey filled with growth and new experiences, and we would like you to begin your journey at Comet Camp.

We hope you will take advantage of this wonderful opportunity to get a head start at UTD!

Comet Camp has something for everyone. The excitement and camaraderie of Comet Camp help establish friendships, a foundation for success at UTD.
