

How to Create a Turnitin Assignment in eLearning

The following steps describe how you as the instructor can create a Turnitin Assignment in eLearning.

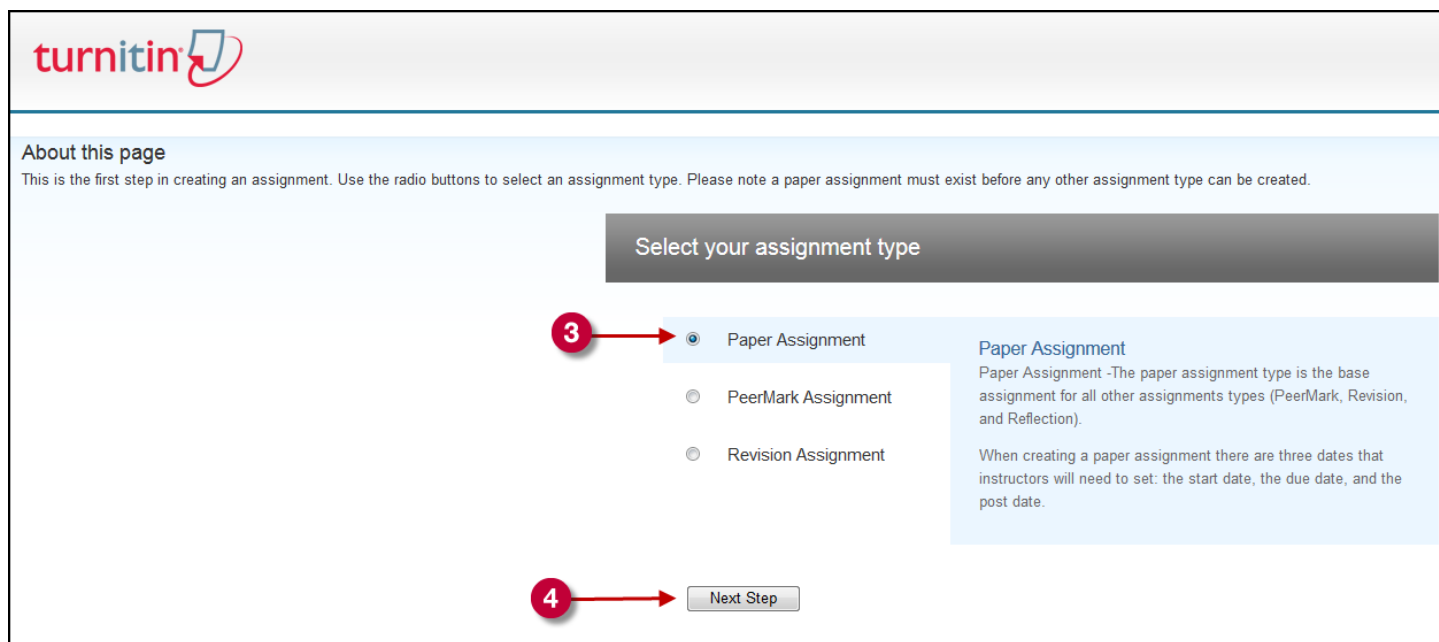

Step 1: On the Course Home Page hover over the **[Assessments]** button.

Step 2: Once you hover over the **[Assessments]** button, a list will be displayed. Select the option labeled 'Turnitin Assignment.'

Steps 3 - 4: A screen will appear which will bring you to a Turnitin page. Select **[Paper Assignment]**. Then select **[Next Step]**.

The screenshot shows the Turnitin interface for creating an assignment. At the top is the Turnitin logo. Below it is a section titled "About this page" with a note: "This is the first step in creating an assignment. Use the radio buttons to select an assignment type. Please note a paper assignment must exist before any other assignment type can be created." The main section is titled "Select your assignment type" and contains three radio button options: "Paper Assignment" (selected), "PeerMark Assignment", and "Revision Assignment". A red circle with the number "3" and an arrow points to the "Paper Assignment" radio button. To the right of these options is a light blue box titled "Paper Assignment" containing descriptive text. At the bottom, a red circle with the number "4" and an arrow points to the "Next Step" button.

About this page
This is the first step in creating an assignment. Use the radio buttons to select an assignment type. Please note a paper assignment must exist before any other assignment type can be created.

Select your assignment type

3 → ☒ Paper Assignment
☐ PeerMark Assignment
☐ Revision Assignment

Paper Assignment
Paper Assignment -The paper assignment type is the base assignment for all other assignments types (PeerMark, Revision, and Reflection).
When creating a paper assignment there are three dates that instructors will need to set: the start date, the due date, and the post date.

4 → Next Step

Steps 5 – 10 : Enter a name under the section labeled **[Assignment Title]**. In this example the name for our content area will be **'Assignment Test.'** Enter a point value under the section labeled **[Point Value]**. For this example the point value is **100 pts.** Next enter a **[Start Date]**, **[Due Date]**, and a **[Post Date]**. Click **'Submit.'**

The screenshot shows the 'New Assignment' form in Blackboard. It includes fields for 'Assignment title' (containing 'Assignment Test'), 'Point value' (containing '100'), 'Start date' (25-Sep-2013), 'Due date' (02-Oct-2013), and 'Post date' (03-Oct-2013). Each field has a red circle with a number indicating the step: 5 for title, 6 for point value, 7 for start date, 8 for due date, 9 for post date, and 10 for the 'Submit' button. A yellow note box states: 'NOTE: In Blackboard, the post date relates to the availability of GradeMark papers only and has no bearing on when grades are posted to the Blackboard Grade Center.'

Step 11: If you were successful in creating your Turnitin assignment you will see the image below which states **"Turnitin Assignment successfully added."** Click the **[OK]** button.

The Turnitin assignment has been created. When you now click on the Course Home Page you will see the image below. Your Turnitin assignment has been created and now students will be able to access it on the start date you specified.
