

How to Set the Number of Attempts on an Assignment

The following steps describe how to set the number of attempts on an assignment.

Steps 1 and 2: On the course homepage locate the assignment which the number of attempts will be set on. Click the drop down arrow as seen in the image below. Once the drop down menu is shown click **Edit**.

Step 3 and 4: The **Edit Assignment: Homework 03** menu should open. Scroll down to **4. Availability**. Under the section **Number of Attempts** click on the **Number of Attempts**. In the text box beside the **Number of Attempts**, enter the number of attempts that students will be able to attempt the assignment. Click **Submit**.

Edit Assignment: Homework 03

Assignments are a form of assessment that adds a column to the Grade Center. Use the Grade Center to assign grades and give feedback to each student. [More Help](#)
