2. Create Turning “Instructor” Account.

1. Click on the Turning Account Registration link you just created in the previous step. Follow the process to create an Instructor account.

2. Once your account is created, go to your Turning Dashboard (https://account.turningtechnologies.com/account/dashboard/index)

3. Click on DOWNLOADS.

4. Install the software.

You must install the software in any one location. Either YOUR LAPTOP or your UT DALLAS H:\ DRIVE (Recommended).

Once you have made your choice, select the correct link for download (as below):

- Laptop(MAC) – select MAC – No Install
- Laptop (Windows) – select PC – No Install
- UT Dallas H:\ Drive – Select PC - No Install. The downloaded file must be saved and extracted to this location - H:\
