available in the Course  
page?**

# Step 1: Go to Courses and from the left panel select the course to which you want to add the link

The screenshot displays the Blackboard LMS interface. At the top, a dark navigation bar includes the user profile 'Examy Instructor1' and a power icon. Below this, a secondary navigation bar features links for 'My Institution', 'Courses' (which is highlighted with a dropdown arrow), 'Community', 'Services', and 'System Admin'. A breadcrumb trail shows 'Home Page' with a dropdown arrow. On the right of this bar is an 'Edit Mode is: ON' toggle. The left sidebar contains a 'Home Page' button and a list of course items: 'Examy Course 5' (selected), 'Home Page', 'Information', 'Content', 'Discussions', 'Groups', 'Tools', and 'Help'. Below this is a 'COURSE MANAGEMENT' section with 'Control Panel' and sub-items: 'Content Collection', 'Course Tools', 'Evaluation', and 'Grade Center'. The main content area is titled 'Home Page' and includes a 'Customize Page' button. It is divided into three columns. The left column has 'My Announcements' (showing no announcements in the last 7 days) and 'My Tasks' (showing no tasks due). The right column has 'What's Past Due' (0 items) and 'What's Due' (0 items for today, tomorrow, and this week). The 'What's Due' section includes a date selector set to '01/23/2014' and a 'Go' button.
