

Wording for Self and Peer Assessments

Students need additional guidance to complete the process. Include the wording below because Self and Peer submissions do not resemble Assignments.

Instructions under Self and Peer

Greetings, this is a Self and Peer Assignment, a two part setup with strict due dates. To start, you need to complete the following:

1. Select the **View/Complete Assessment** link
2. Click on the **Question** to upload your submissions.
3. Every student needs to submit a proposal.
4. You have **two deadlines** to submit and to evaluate the presentation materials.

Late submissions cannot be accepted. If you have an upload issue, contact me immediately.

Instructions seen under Question that require points and feedback

Upload your proposal presentations and later review other presentations by selecting Question 1.

To complete evaluations:

1. Select this link to evaluate submissions on three set criteria.
2. When the Evaluation period starts, award points and a justification.
3. Submit evaluations before the deadline to complete the process.

You can only upload one submission. Evaluations can be revised until the deadline passes.

Instructions seen under Question that does not require points

Upload your proposal presentations and later review other presentations by selecting Question 1.

To complete evaluations:

1. Select this link to evaluate submissions on three set criteria.
2. When the Evaluation period starts, provide feedback and submit by the evaluation deadline.

You can only upload one submission. Evaluations can be revised until the deadline passes
