Dorm Information:

The MGC is using Helix Hall (formerly Residence Hall Southwest) this year. The camp office, check-in, and accommodations for residential students will all be in Helix Hall. If you wish to send anything to a camper, please send them to their attention at the following address:

Helix Hall (RHH)

931 Drive E

Richardson, TX 75080

Set your GPS to 2851 Rutford Ave (Capella Hall). You may park in the parking lot directly west of Capella Hall, then follow the signs to check in.

****IMPORTANT** Construction Update**

There is ongoing construction around the **front and side of Helix Hall**, specifically on the west and south sides near the pond. We had hoped this work would be completed prior to your arrival, but unfortunately it is scheduled to continue through **Fall 2025**. This area is currently blocked off and only accessible to construction crews.

The University is asking all guests to **use the back entrance exclusively for check-in and check-out**. The **back building doors will be unlocked and accessible** throughout camp, and we recommend parking in **Res Lot North or Lot T1** for convenience.

A **map of the University Commons area**, with the construction zones near Helix Hall (RHH), highlighted in yellow and red, as well as the parking lots around Helix Hall, can be found at the bottom of this email.

Office contact:

This year we welcome Amy Fuller as our new office manager. She is assisted by Laura Little and Hunter McCullough. The office is your primary contact point for camp questions and information once the sessions begin on June 22. If you are picking up early or checking out a student for any reason, please contact the office ahead of time so they can have your camper ready to meet you and safely check out.

The office will also collect any medications that campers need during registration. If the camper requires regular medication, please have that information ready to share with the office staff at your respective check-in time.

Office email: mgcometoffice@gmail.com

Office phone: 469-666-4395 OR 214-605-8132

Arrival Day Commuter Check-In procedures:

As noted above, we be using check-in will take place in Helix Hall 1.001, a classroom on the first floor of the dorm. There will be clearly marked signs and UTD dorm staff there to greet you and point you in the right direction. **We ask that you show at the assigned registration time. The dorm does not have space for all commuter students to wait for their registration, so please note your check-in time plan your arrival appropriately.**

After you have completed registration, you will be able to wait in the dorm lobby until orientation for all students begins at 1:00pm. Students will be given schedules and information about orientation and where/when their lab sessions begin.

There will only be dinner service for commuter students on registration day.

On the grid below you will find the check-in times for each division:

Commuter Drop-off and Pick-up:

Drop off and pick up will be in Helix Hall. You must park in Res Lot North, then utilize the rear entrance to the main lobby. There will be a table setup in the lobby and staffed by an MGC administrative staff member. This is the same place you will pick up your students in the evening. **Please note – you must physically check your child in and out daily. You will need to come into the lobby to complete this process.** We do this for the safety of the student and we appreciate you helping us make this process as quick and easy as possible.

Resident Life items:

It will be hot in Dallas in June and July. Dress casually, pack shorts and short sleeve shirts, flip-flops and comfortable tennis shoes for after-lab activities. For the dorm room, you should bring extra-long twin sheets, alarm clock, toilet paper, toiletries, towel, umbrella, and any other amenity you'll need to feel comfortable in the dorms. Here is a link to the UTD University Commons webpage. You will be able to find information about the dorms and the amenities that are available in the dorms, such as the laundry facilities.

You should also bring the materials you'll need to take notes and/or prepare for debates or performances. These items include legal pads, notepads, pens, timer, etc. For residents, three meals a day are provided in the cafeteria. However, some students order pizza and/or other food from delivery services, so it's usually a good idea to bring a little spending money just in case.

You can also visit our FAQ section on the website to learn more about life at camp and/or items you should bring to camp.

Laptops:

We highly recommend students bring a laptop to camp. The MGC, like most high school debate programs, is paperless. All high school camp evidence is transmitted and shared electronically.

Cafeteria / Meal Plans:

Students will have meal plans for Dining Hall West located very close to Residence Hall Southwest. You can find more information about the cafeteria and see their daily menus on their website:

<https://dineoncampus.com/utdallasdining/whats-on-the-menu>

Commuters will have access to 2 meals a day in the cafeteria (Monday-Friday) – lunch and dinner. On Saturday and Sunday's, commuter students will have access to dinner service at 5pm.

July 4th:

MGC will have a normal morning schedule and afternoon schedule on the 4th of July. After dinner, there will be free time for students at camp. If you are local and wish to check out your camper out of camp to participate in family activities that is fine. Please make separate arrangements with the camp office, so we can coordinate check-out and return times, etc.
