

Acceptance Checklist & Deadlines

In light of the rapidly changing information regarding COVID-19 we are gauging student interest in hosting a virtual Early Registration Day for incoming Collegium V students on May 1, 2020. You would work with your advising office to finalize your Fall 2020 schedule during this event. If you cannot attend the online Early Registration Day you will begin working with your advising office to enroll in classes on May 4th via your UT Dallas email. If you have not enrolled in classes by May 27, you will not be able to do so until July 1.

I have read and completed the Liability Release From.
