EXAMITY PROCTORING

Professor must have exam set up and activated within Examity.

The Testing Center has partnered with EXAMITY to meet students' testing needs. EXAMITY is a 24/7 proctoring service that allows UT Dallas students to test from anywhere in the world. The service provides live proctoring and accommodates online, hybrid, and paper exams. If the exam is set up and activated, students will see this option within Blackboard. Please ask your professor. Not all professors utilize the Examity platform, therefore this may not be an option.
