Re: Updated Syllabus policies/procedures web page and syllabus templates

The Committee on Educational Policy has approved updates to the UT Dallas syllabus policies page: <https://go.utdallas.edu/syllabus-policies> and to the UT Dallas syllabus templates language: <https://provost.utdallas.edu/syllabus-templates>. Revisions include annual updates as well as language reflecting Title IX reporting requirements in alignment with our new state law. In addition, all syllabi templates now meet accessibility guidelines.

Thank you.
