

Golden Kumar

Associate Professor, Department of Mechanical Engineering
The University of Texas at Dallas

B.Sc., Panjab University Chandigarh, India

M.Tech., Indian Institute of Technology Kharagpur, India

Ph.D., Technical University Dresden, Germany

Assistant Professor, Texas Tech University, 2/2012-7/2018

Associate Professor, Texas Tech University, 8/2018-12/2018

Associate Professor, The University of Texas at Dallas, 01/2019-Present
