Acceptance Checklist & Deadlines

Collegium V Honors students are able to take advantage of priority registration each semester at UT Dallas. For the Fall 2021 semester, your academic advising office will contact you to begin the registration process. You will receive an email detailing the registration process between April 26th and May 3rd. If you are not registered for classes by May 28th you will be required to wait until July in order to complete class registration.

I have read and completed the Liability Release Form.
https://eforms.utdallas.edu/honors-liability-release

I understand that I am expected to check my UT Dallas email address daily.
https://www.utdallas.edu/oit/howto/office-365/

I have registered for Orientation and completed the Pre-Orientation Modules in eLearning by **May 1**.
https://www.utdallas.edu/fye/orientation/

I have submitted my meningitis paperwork and shot record by **May 1**.
https://www.utdallas.edu/registrar/legislative-policies/vaccine/

I have completed the ALEKS Math Placement Assessment **by April 26** if it is required for my major. *Please note, it will take at least one full week to register for Honorlock and ALEKS accounts and set up a proctored assessment, so you must begin this process **by April 12***.
If you have AP scores on record with UT Dallas you do not have to complete the ALEKS. If you are waiting for scores from senior year it is recommended that you complete the ALEKS now to avoid delays in registration.

I have applied for housing and followed all priority application deadlines if I intended to live on campus. **The priority application deadline is published on the First Year Housing website.**
https://www.utdallas.edu/housing/freshman/

I have reviewed the Collegium V Guidebook and I understand that I must enroll in one Collegium V Honors Course in the fall and spring semesters of my first year.
