

Working together to work wonders.

**The University of Texas Medical Branch at Galveston
School of Medicine**

2021 Virtual Premedical Conference

**Saturday, November 13, 2021
10:00AM – 2:00PM CST**

Please join us as we share valuable resources and admissions advice for prospective medical and physician assistant applicants as you develop the necessary skills to be successful in the admissions process.

Conference topics include:

- Personal Statement and Interviewing Skills
- Physician Assistant Studies Program Admissions Overview
- Pre-Health Resources provided by the TX Health Education Service
- Medical and Physician Assistant Student Panels
- Becoming a Healer Discussion
