Academic Integrity

The faculty expects a high level of responsibility and academic honesty from its students. **This is important** and could affect your grade and university status. See <http://policy.utdallas.edu/utdsp5003>

Withdrawal from Class

The administration of this institution has set deadlines for withdrawal of any college-level courses. These dates and times are published in that semester's course catalog. Administration procedures must be followed. It is the student's responsibility to handle withdrawal requirements from any class. In other words, I cannot drop or withdraw any student. You must do the proper paperwork to ensure that you will not receive a final grade of "F" in a course if you choose not to attend the class once you are enrolled. I will NOT announce withdrawal deadlines or any other enrollment related dates.
