

BLAW 2301.HON – FALL 2013

CLASS EXPECTATIONS

PURPOSE

I am outlining some of my expectations of you so you know up front what I expect of students in my classes. I am doing this so there is no confusion about the consequences to you and your grade for failing to meet these expectations. This also allows me to be fair to all students.

This is not a complete listing of the rules of the class. I reserve the right to alter, add to, or delete from these rules as I see fit.

CLASS ATTENDANCE

Rules:

1. Be on time
2. Pay attention and take notes
3. Do not disrupt class
4. It is your responsibility to sign the attendance sheet in order to be counted present
5. Do not sign in others when they are not present or have them sign you in when you are not present

Consequences:

1. Class disruptions may lead to removal from class
2. Failure to sign the attendance sheet will result in you being counted absent
3. I reserve the right to make additional adjustments to your overall course letter grade based on your ATTENDANCE and ATTENTION in class. Just to warn you this may SIGNIFICANTLY REDUCE your grade!!
4. Signing others in when they are not present or having others sign you in when you are not present is an act of academic dishonesty and will be dealt with accordingly

EXAMS

Makeup Exams

A makeup exam may be given at my discretion, and only for very compelling reasons and with proper documentation. The makeup exam may be another format of exam (including a paper, essay questions, short answers, etc.).

Communication is the key in the event that you require a makeup exam. The sooner you can communicate with me the better. One of the first things that I will consider in making a determination about granting a makeup exam is your class attendance.

Late to Exam

If you are late to an exam it is VERY disruptive to your classmates. I will deduct one point for each minute you are late to the exam. If one (1) student finishes the exam and leaves the classroom before you arrive, you will NOT be allowed to take the exam – this means you will receive a ZERO!!!

ASSIGNMENTS

1. You MUST follow the assigned format of all assignments
2. Failure to follow the assigned format results in SUBSTANTIAL deductions. You may receive ZERO credit for these assignments if proper format is not followed
3. You WILL receive SUBSTANTIAL deductions for sloppy/unprofessional work. Sloppy/unprofessional work may result in a grade of ZERO
4. NO LATE ASSIGNMENTS ACCEPTED!!

CLASSROOM CITIZENSHIP

I expect that students will act in a professional and courteous manner towards their classmates and towards me. Differing views should be respected. I reserve the right to have you removed from class if your behavior becomes dangerous, disruptive, or disrespectful.

SCHOLASTIC DISHONESTY

The faculty expects from its students a high level of responsibility and academic honesty. Because the value of an academic degree depends upon the absolute integrity of the work done by the student for that degree, it is imperative that a student demonstrate a high standard of individual honor in his or her scholastic work.

Scholastic Dishonesty: Any student who commits an act of scholastic dishonesty is subject to discipline. Scholastic dishonesty includes but is not limited to cheating, plagiarism, collusion, submitting for credit any work or materials that are attributable in whole or in part to another person, taking an examination for another person, or any act designed to give unfair advantage to a student or the attempt to commit such acts.

Plagiarism, especially from the web, from portions of papers for other classes, and from any other source, is unacceptable and will be dealt with under the university's policy on

plagiarism (see general catalog for details). This course will use the resources of *turnitin.com*, which searches the web for possible plagiarism and is over 90% effective.

My recommended sanctions if you are found responsible for an act of scholastic dishonesty in the following situations:

- Exam – Grade of F for the course
- Assignments – Grade of ZERO (0) for the assignment, the writing assignment grades of zero cannot be dropped or replaced
- Attendance – loss of all attendance points awarded for the semester
- Other graded assignments not addressed above will receive a zero on the assignment or an F for the course based on the weight of the assignment.

Please Note: You must sign and return the last page of the syllabus acknowledging your receipt and comprehension of these rules by the third class day.
