Course Description

This course is an introduction to concepts on financial accounting, designed to create awareness of principles, preparation and application of financial information in business world. The primary focus will be that of the users, rather than the preparer, however. All business students who will be future users of accounting information will benefit from this course.

Grading Policy

The overall course grade will be comprised of the following:

Exam 1	20%
Exam 2	20%
Exam 3	20%
Exam 4 (Final Exam)	25%
Quizzes	15%
Total	100%

Final grades will be assigned using the +/- system of grading.
(See Attachment for Exam Dates!)

Important Dates

Aug. 26	First day of class
Sep. 2	No class (Labor Day)
Sep. 23	Exam 1
Oct. 18	Exam 2
Oct. 31	Drop / Withdrawal Deadline
Nov. 8	Exam 3
Nov. 25 - 30	No class (Thanksgiving holidays)
Dec. 11	Exam 4 (Final Exam)

Required Text

Financial Accounting: Tools for Business Decision Making
Wiley 7th Edition
by Kimmel, Weygandt, and Kieso
ISBN: 9781118344262

Lecture Notes

Lecture notes will be the main material we go through in class. I will post lecture notes on **e-learning** prior to class, and **you are required to print out the notes for each chapter and bring them to class.**

Exams

There will be 4 non-cumulative Exams. Exams will be in-class, closed book and closed notes. They will consist of calculations and theory questions. The Exams are designed to test your understanding of the basic accounting concepts. They will consist of calculations and theory questions. Concepts from chapter notes, homework and quizzes will be included on the exam. Students are required to bring **a Scantron Form 882-e, a pencil and a 4-function calculator** to each exam. Programmable calculators are not allowed during exams. You are not permitted to use any electronic communications devices during the exam. This explicitly includes cell phones and pagers. You are also not permitted to use a portable computer on the exam. You are strongly urged to leave any electronic devices (except calculators) at home or in a locker on the day of the exam. All students are required to present proof of identification at the time of the exam. Acceptable documentation must include picture identification such as an official UTD Comet Card, Passport, or State approved driver's license.

Exam Make-up Policy

Students **MUST** take **all** exams. Students missing an exam should contact me in writing (acknowledged email message is also acceptable) **prior to the date of the absence**, and provide appropriate documentation for the excused absence. In cases where advanced notification is not feasible (e.g., accident or emergency) the student must provide notification **by the end of the second working day** after the absence, including a reason for why notice could not be sent prior to the class. Failure to take the make-up exam at the agreed time and place will result in a grade of zero. Make-up exams will be different from the exam given in class.

Disposition of exams

As per school policy, exams will be retained for one year and then destroyed.

Quizzes

There will be approximately **4 to 5 take-home quizzes** during the semester, each worth 10 points. Quizzes are used to reinforce the skills necessary to do well on exams.

Your *lowest quiz grade will be dropped*. Because of this policy, **no late quizzes will be accepted** and there will be no opportunities to makeup missed quizzes.

Homework

In addition to the required quizzes, there will also be problems to work out of your textbook. These assignments are indicated on the page below. Unlike many courses, accounting cannot be learned by watching someone else explain concepts and work problems. *You must become actively involved!* Although the homework assignments will not be turned in for a grade, students are encouraged to work all assignments and problems on a timely basis. Getting behind in preparation is one of the most prevalent causes of difficulty in studying for accounting. Solutions to the homework questions will be posted on the eLearning website.

Grade Appeals/Changes

If you believe an error has been made in grading or recording an assignment/exam, you must submit a **written request** for review **within three class days** of the date the assignment/exam score was made available to class. **ANY REQUEST MADE AFTER THIS TIME CANNOT BE CONSIDERED.** It is therefore critical that you pick up and review all graded assignments on a timely basis.

UT Dallas Syllabus Policies and Procedures

The information contained in the following link constitutes the University's policies and procedures segment of the course syllabus.

Please go to <http://go.utdallas.edu/syllabus-policies> for these policies.

The descriptions and timelines contained in this syllabus are subject to change at the discretion of the instructor.
