Course Description	This course introduces concepts and analytical techniques to identify and solve financial management problems. It serves as the basis for all other courses in the area of finance as well as providing those basic tools that every business student will need to be successful in her/his chosen career. Those students majoring in business administration and accounting, as well as those going further in the study of finance, will find this material an essential part of their business education. Regardless of the student's chosen career, these tools and techniques will provide the foundation for making personal financial decisions.
Learning Objectives	<ol style="list-style-type: none"> 1. Be able to apply time value of money concepts to various valuation problems. 2. Be able to describe what drives a firm's cost of capital and how to estimate it. 3. Be able to analyze investments in real and financial assets using various methodologies.

EXAMS & Make-up Policy	<p>No make-up exams allowed. Laptops are NOT allowed during exams. Financial calculators are required. If Scantron forms are used, they supersede handwritten responses on the exam. <u>All students are REQUIRED to take final exam.</u></p> <p>Make-up for Exam I through II will be given only under documentable circumstances in accordance with the school policy. Do not ask me to give you an exam early so that you can fly out on a cheaper flight. Make-up exam policy for the final exam is not under my control. See section under “Final Exam.”</p>												
(Uniform) Final Exam	<p>A COMMON FINAL EXAM will be given for all students in this course on <u>Saturday August 9, 2014 (9:00am ~ 11:30am) - tentative.</u> Exam will be in SOM 1.118 (Davidson Auditorium).</p> <p>There is NO make-up if you miss this exam. You will not be allowed to bring backpacks, bags, books, cell phones, laptops, notebooks, scratch paper, calculators that store text such as graphing calculators, etc. The only calculators permitted will be the TI BA II Plus (or Plus Professional). You will have to bring pencil, eraser, financial calculator (see above), Scantron form 882-E and a photo ID (UTD Comet Card preferred, state driver’s license or passport). <u>Students will not be able to take the exam without a photo ID.</u></p> <p>Emergencies such as hospitalization, car wrecks on the way to the test, etc. will have to be substantiated by supporting documents and in these cases the students will receive an incomplete in the course and will take the exam during the next scheduled final exam for Fin 3320. There will be no exceptions.</p>												

Academic Integrity	The faculty expects a high level of responsibility and academic honesty from its students. This is important and could affect your grade and university status. See http://policy.utdallas.edu/utdsp5003
Withdrawal from Class	The administration of this institution has set deadlines for withdrawal of any college-level courses. These dates and times are published in that semester's course catalog. Administration procedures must be followed. <u>It is the student's responsibility</u> to handle withdrawal requirements from any class. In other words, I cannot drop or withdraw any student. You must do the proper paperwork to ensure that you will not receive a final grade of "F" in a course if you choose not to attend the class once you are enrolled. I will NOT announce withdrawal deadlines or any other enrollment related dates.
