### Proctored Final Exam Procedures

This course requires a proctored final examination. Local students can now take their exams on-campus at the **UTD Student Success Center - Testing Center** (no fee charge) during the testing dates. Please see the [UTD Student Success Center - Testing Center Website](#) for more information and check the hours of operation and testing center policies. Please be sure to view and follow the **Test Center Student Guidelines** found on the Testing Center main page. **All students are required to make an appointment** using the **RESERVE-A-SEAT** application found on the Testing Center main page to take the exam during the required exam test window as specified. The UTD Testing Center is located at the McDermott Library basement. When you arrive to take your exam, you will sign in with your **Comet Card** (or a **photo ID & UTD ID number** if you do not have a Comet Card).

Students who find UTD geographically inconvenient may use a testing service of their choice at a convenient location to have the exam proctored. All exams must be completed within this required exam time window. All students must inform the instructor of their outside testing location. A proctored exam application **must** be completed **3 weeks prior to the date of the test**. Please go to the [Proctored Exam Information](#) page to check out **Procedures for Arranging an Individual Proctored Exam** and to access and complete the **Online Proctored Exam application**. Please note students are responsible for any fee charge of their testing services. All completed exams must be received by date set in the course academic calendar (this is not the date to take the exam but to have test center return them) to allow timely grade reporting to the UTD Registrar.

The UTD Testing Center requests all students strictly follow the proctored exam scheduling deadlines. If any student needs special accommodations, please seek the instructor's approval in advance. If you have any questions about using either UTD or outside testing center service, please email [TestingCenter@utdallas.edu](mailto:TestingCenter@utdallas.edu).

## Assignments

Homework: there will be an individual assignment so students can familiarize themselves with PPC advertising using Google Adwords.

### Homework Assignment submission instructions

Locate the assignment in your eLearning course. You will submit your assignments in the required file format (pdf or word), using your last name as the file name. To submit your assignment, please click the assignment name link and follow the on-screen instructions to upload and submit your file(s). For additional information on how to submit assignments, view the [Submitting An Assignment video tutorial](#).

**Please Note:** Each assignment link will be deactivated after the assignment due time. After your submission is graded, you may go to My Grades on the course menu and click the score link to check the results and feedback.

### Online Tests/Quizzes

All exams will be closed-book. They will take place at regular class times. These exams are designed to test your understanding of the basic terminology and tools in marketing as well as your depth of understanding of important marketing concepts. Exams cover information from the textbook, PowerPoint slides, handouts, videos, plus all topics and cases discussed in class including any guest speakers.

Each lecture module will be immediately followed by a self-test quiz. The quiz is graded and not necessarily meant to prepare you for the midterm or final exam (although it can and doesn't hurt) –preparing for an exam requires a lot more studying than what is required for these quizzes. The main objective is to make sure you have stayed current reading the lectures. Each quiz consists of 9 multiple choice questions. **The first quiz will determine your quiz grade which counts to your overall course grade; if you did not score at least a 2 on the first attempt, you are allowed to take the exam several times until you get a score of 2/9.** However, repeat attempts do not count for a grade or substitute your initial grade. 2 out of 9 questions must be correctly answered before the next lecture module can be released on the following Monday. Please go back and review parts of the module and re-answer the missed questions correctly to proceed to the next module. You must also take the quiz before the due date, taking a quiz after the due date will result in a zero grade-no exceptions since you have almost an entire week to take the quiz.

In addition, if you miss two or more quiz deadlines there is an extra 5 point deduction from the overall grade for each quiz date missed, the first missed quiz does not have an extra penalty.

### Online Midterm

The online Midterm test will be timed and will be 50 minutes long. The online test will consist of 30 multiple-choice and 10 true/false questions. The conditions of academic integrity require that each student take the test independently and unassisted in every way. This is an important requirement!

You can access Online Tests and the Midterm Exam by clicking the *Quizzes and Exams* link on the course menu or see the quiz/exam icon on the designated page. Each quiz is timed and the number of attempts allowed within a scheduled time window will be specified. Please read the on-screen instructions carefully before you click “Begin”. After each quiz is graded and released, you may go to the My Grades page and click the score link of the quiz to view your graded submission.

### **Final Examination**

This course requires a proctored closed book final examination. The final exam will consist of 2 sections. Section I will consist of approximately 50 multiple-choice and True/False questions. Section II will consist of approximately 2-3 short answer questions.

### **Course Policies**

#### *Make-up exams*

You are required to take each exam. **A make-up exam is only permitted with a written doctor’s excuse or under a documented extreme personal situation.** If you have a legitimate or extraordinary scheduling conflict and must miss an exam, please contact me IMMEDIATELY upon knowing the conflict.
