General Course Information

Pre-requisites, Co-requisites, & other restrictions	All BUAN core courses must be completed before enrolling
Course Description	The Practicum class is your opportunity to work on a project or a set of projects to get yourself better prepared for the job market. THIS IS NOT A LECTURE BASED class where the instructor will be teaching you the content. The instructor will provide you with data set(s) that you will analyze in the semester and present your findings.
Course Expectations	- Attend the first session and follow all rules laid out by the instructor(s) - Provide weekly Status in the format requested. - No weekly classes; but the instructor will be available in the classroom for first 30 minutes to guide you for any issues or roadblocks that you may be encountering. However, the instructor is NOT responsible for solving these issues for you. - This is a project that you have to complete and the burden of completion is on you. Removing technical road blocks, coding and software issues and researching issues on the internet is your responsibility. The instructor is not responsible for solving these issues for you.
Project Descriptions	The instructor will share the project details in the class on 8/23/2017
Important Dates	The instructor will provide project deliverables via eLearning. Project selection by – 8/31/2017 Final Presentation – 12/6/2017 Project deliverables due – 12/6/2017
Software Used	R or Python

Course Policies

Grading (credit) Criteria	The course grade is based on the feedback provided by the project sponsor about your work. The instructor does not control nor will influence the project evaluation process. **Tentative Grading Weight** Weekly Status Reports – 20% Quality of work – 50% Presentation – 30%
Academic Integrity	*The University has policies and discipline procedures regarding academic dishonesty. Detailed information is available on the* [UTD Judicial Affairs](#) *web page. All students are expected to maintain a high level of responsibility with respect to academic honesty. Students who violate University rules on academic honesty are subject to disciplinary penalties, including the possibility of failure in the course and/or dismissal from the University. Since such dishonesty harms the individual, all students and the integrity of the University, policies on scholastic dishonesty will be strictly enforced.*
Comet Creed	*This creed was voted on by the UT Dallas student body in 2014. It is a standard that Comets choose to live by and encourage others to do the same:* *"As a Comet, I pledge honesty, integrity, and service in all that I do."*
UT Dallas Syllabus Policies and Procedures	*The information contained in the following link constitutes the University's policies and procedures segment of the course syllabus.* *Please go to* http://go.utdallas.edu/syllabus-policies *for these policies.*
