

2020 REGISTRATON – Location and time

The dorm name and address will be given out closer to the start of camp. The registration will take place in a classroom, inside a dorm. There will be clearly marked signs and UTD dorm staff there to greet you and point you in the right direction. **We ask that the participants come in and register with the camp, get their room key, and then bring their luggage into to the dorm.** After you have completed registration, you will be able to move into your dorm rooms. Students will be given schedules and information about orientation and where/when their lab sessions begin.
